Centre Street Church's Lenten Journey For 2008 Is To Reduce Our [Carbon Footprint.](#)

*Good News Bible; Genesis- 1:28*

*God Blessed them, and said "Have many children, so that your descendants will live all over the earth and bring it under their control. I am putting you in charge of the fish, the birds, and all of the wild animals".*

We believe that God gave us dominion over the Earth, which makes it our responsibility to take care of, not giving us the right to do whatever we want with it.

Our Lenten journey is a 40-day exploration of how we can turn our eyes to God and care for the Earth and people on it.

All Things Share The Same Breath.

The Air Shares Its Spirit With All Life. We Did Not Weave The Web Of Life, We Are Merely A Strand In It.

Whatever We Do To The Web, We Do To Ourselves.

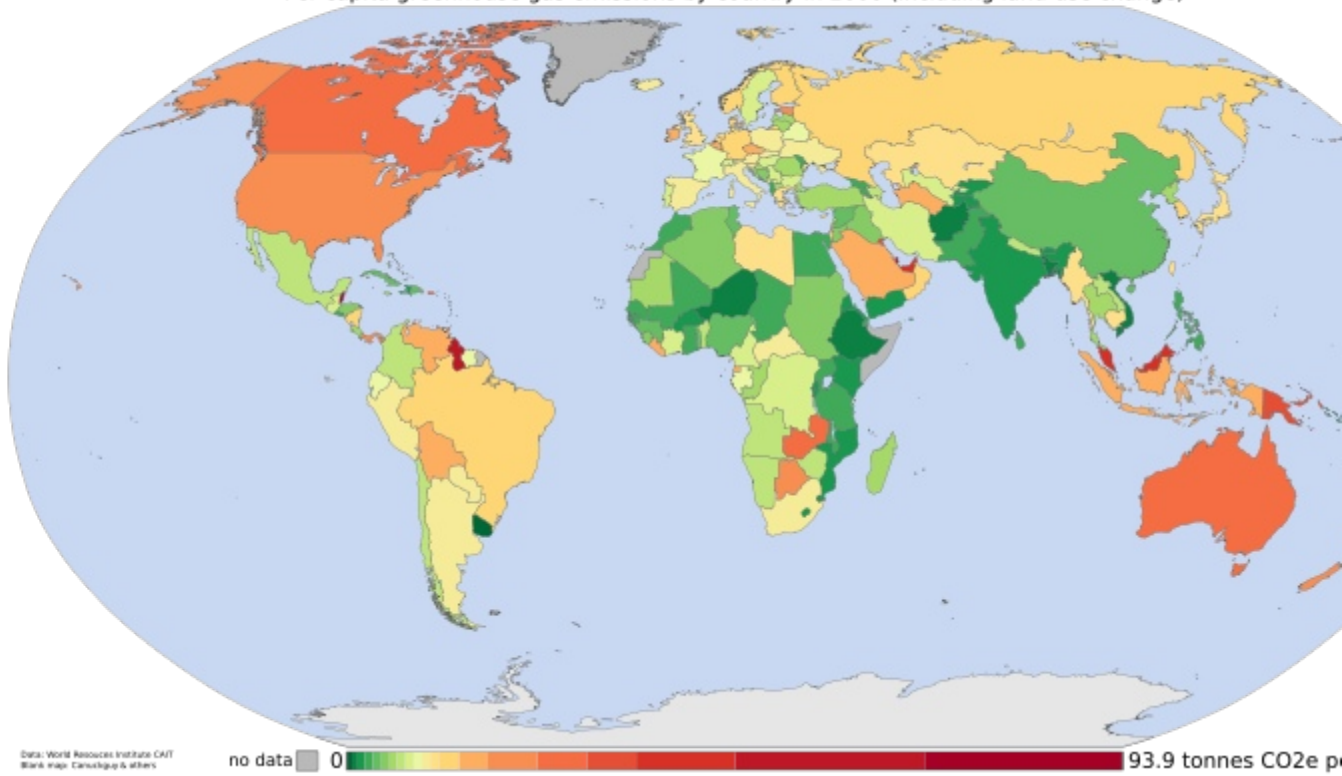

Treat The Earth Well, It Is Not Given To You By Your Parents, We Borrow It From Our Children.

All Things Are Connected. Whatever Happens To The Earth, Happens To The Children Of The Earth.

We have a calendar of suggestions for ways to reduce your carbon footprint.
